

# How to Reset Settings-Protection Password

If a NovoPRO's Settings-Protection password is lost, you can follow the steps described in this application note to reset it.

# The steps to reset password:

#### A. Obtain NovoPRO Device MAC Address

MAC address is usually located at the bottom of a NovoPRO device;

### B. Reset NovoPRO Settings Protection Password

After you receive the password reset file, there are 2 ways to reset the password:

#### 1. Through microSD card

- 1.1. Copy the password-reset file to a microSD card
- 1.2. Insert it to the NovoPRO device, and then the password will be reset in a few seconds.

## 2. Through Remote Manager

- 2.1. Locate the NovoPRO device from the device list
- 2.2. Click on button "Settings"
